When a powerful enemy suddenly reappears, T'Challa's mettle as king -- and as Black Panther -- gets tested when he's drawn into a conflict that puts the fate of Wakanda and the entire world at risk.</p> <p>Doubt: In 1964, the winds of change are sweeping through Sister Aloysius' St. Nicholas school. Father Flynn, a charismatic priest, is advocating reform of the school's strict customs, and the first black student has just been accepted. When a fellow nun tells Sister Aloysius that Father Flynn may be paying too much personal attention to the student, Sister Aloysius begins a personal crusade against the priest.</p> <p>W. : Growing up in his congressman father's considerable shadow, Texan boy George W Bush struggles to make his mark in the world. Fond of a good time and a drink or ten, he is dismissed by George Bush Sr as a waster and a drunk. Seemingly incapable of holding down a job and prone to brushes with the law, he flubs his attempts at running an oil company and then a baseball team before settling on politics.</p>
